

1st International Forum for Young Businessmen and Enterprisers

JuvEMPRENDE in FIHAV • November, 9 and 10, 2023

As part of the Havana International Fair (FIHAV) 2023, the First International Meeting of Young Businessmen and Entrepreneurs, "JuvEmprende 2023", will be held in Cuba on November 9 and 10, 2023.

The objectives of this initiative are to involve young people as strategic actors for development, promote international cooperation, share experiences among young entrepreneurs and business people from Cuba and other countries, and promote the development of our localities and countries, actions that respond to the fulfillment of the Sustainable Development Goals of the 2030 Agenda.

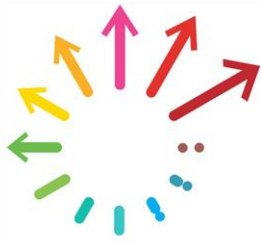

We invite businessmen and entrepreneurs from all over the world, particularly young people interested in learning about the experience of youth entrepreneurship in Cuba.

Priority will be given to exchanges in the sectors of science, technology, innovation, information technology and communications, and agriculture; although it is not a limitation for participation, in case you are interested in another sector.

To apply for registration to the event, access the site <https://festivaljuventud.feriascuba.com/> , and fill in the form in the ACCREDITATION option. After receiving the confirmation of participation, you can also access the PACKAGE BOOKING section of the site to find out the logistical details associated with the Forum.

As part of the Forum, on November 9, there will be a panel discussion with renowned researchers, businessmen and entrepreneurs, associated with the themes of the presence of young people in the digital transformation; youth and innovation; ethics and social responsibility; agro-ecological development; and entrepreneurial women.

In addition, the Youth Networking will be held, where the direct connection between young businessmen and entrepreneurs from Cuba and
